BRADFIELD ST CLARE PARISH COUNCIL

MINUTES OF ADDITIONAL MEETING HELD ON 11 DECEMBER 2017

The Additional Parish Council Meeting was held on Monday 11th December 2017 at 7.30pm in the Village Hall. The Chairman, Cllr R Walton, welcomed Cllrs J Kirk; G Thomas, M Newlands, and the Parish Clerk, N Smith. Cllr Walton also welcomed 2 members of the public.

1. Apologies for absence – Cllr Hignett, he had a prior commitment in London. Apology accepted by all Councillors.

2. Declarations of Interest - none

3. Public Forum – parishioners had considered the planning paperwork provided at the meeting and had no objection in relation to that. A small discussion arose about the recent recommendations of the Speed Limit Panel. Clerk confirmed that the exact start and end points of the speed limits had yet to be confirmed but was assuming that they would need to be agreed with input from the Parish Council before any legal notices were issued as part of the process. The Parish Council had asked for more than what was given by the Speed Limit Panel. For many years the Parish Council had been told they would not be successful in any application to reduce the speed limit in the village. Therefore, at least some steps forward had been made on some parts of the roads around the village and those reductions (40 mph and below) would then enable the Parish Council to ask for the mobile speed camera to be in the village from time to time, which they were currently not entitled to do with speed limits of 60mph in the entire village.

4. Planning Matter:

   (i) Application DC/17/2214/LB – Listed Building Consent – (i) Single storey side extension, (ii) new porch to rear elevation (following demolition of existing rear porch) and (iii) single storey rear extension and associated works as per Schedule of works received 23/10/2017.
   Church Farm, Bury Road, Bradfield St Clare. **No objection.**

   (ii) Application DC/17/2213/HH – Householder Planning Application– (i) Single storey side extension, (ii) new porch to rear elevation (following demolition of existing rear porch) and (iii) single storey rear extension.
   Church Farm, Bury Road, Bradfield St Clare. **No objection**

   Councillors requested that the Clerk when confirming to the planning department that there were no objections to the planning application, request that the planners ask if the home owner could keep all construction vehicles etc on his own land, particularly if vehicles were going to be parked up over the weekend as this was the access route to the Church and there were Sunday Church services to consider alongside other less frequent Church events such as funerals.

5. Date of next meeting – 13th February 2018.

Meeting closed: 8pm

Signed..... Dated.....
